Eastern Book CompanyTM has tied up with the **Incorporated Council for England and Wales**, London to provide judgments of the Privy Council published in the **Indian Appeals** from 1873 till 1949 on its **SCC OnLine**TM suite of products. These judgments will also be available in TruePrintout format, which will allow the user to get the exact facsimilie of the original printed page. Since the judgments of the Privy Council have been held to be binding on the High Courts, this product should be of immense value to practitioners and the Judges.
